

**IMASCO MINERALS INC.  
5 YEAR LIMITED MATERIALS WARRANTY**

IMASCO MINERALS INC. (“Imasco”) warrants that the materials manufactured and sold by it, when installed in accordance with then current Imasco published procedures and specifications by an applicator experienced for the appropriate applications, shall be free from material defects for a period of **five (5) years** from the date of substantial completion of the project.

This warranty shall be of no effect with respect to materials produced by other manufacturers and not bearing Imasco’s name or logo, which are used in conjunction with the application of Imasco’s materials covered hereunder.

Problems with Imasco materials caused by misuse, mishandling, improper storage, improper application, improper combination with products of Imasco or others, or any other failure to strictly follow Imasco’s specifications and procedures are not warranted under any circumstances. This warranty shall be null and void if the Imasco materials are intermixed with other chemicals or materials not specifically required by Imasco’s specifications or application instructions. Imasco shall not be responsible for any losses, damage or injury whatsoever caused in whole or in part by acts of God, climate, job conditions, structural movement, inappropriate architectural and engineering design, unusual pollution, insufficient or defective waterproofing between Imasco materials and non-Imasco materials, or defective or improper workmanship by the applicator or any other contractor or labourer, or any other damage or injury not solely and directly caused by a proven defect in Imasco products as covered under this warranty.

Imasco makes no other warranty, express or implied, with respect to its products, or specifications, except as expressly stated herein.

The sole and entire responsibility and liability of Imasco for the materials warranted hereunder shall be to refund the cost of or replace to the point of sale the Imasco materials described herein shown to be defective during the warranty period. Imasco shall have no liability or obligation with respect to any other loss or damage including consequential loss or damage, arising out of or in connection with Imasco’s materials supplied hereunder.

Imasco shall not have any obligations hereunder unless the materials manufactured and sold by it have been maintained by the owner with reasonable care. The owner shall provide Imasco with prompt written notice of any alleged defect or failure in Imasco’s materials, and allow Imasco a reasonable opportunity to inspect its materials on the owner’s premises.

This warranty shall be null and void unless the materials which form the subject of this warranty have been paid for in full.

This warranty shall be interpreted exclusively under the laws of the Province of British Columbia, Canada.
